

Automotive High School
Business & Technology Department

Ms. Melissa Silberman, Principal
B. Rajswasser, AP. Supervision

Below are the expectations for all of Business and Technology classes during the Fall Term 2007.

1. Attendance is the most important.
2. All classes will have a least one paper or project each marking period.
3. Every student will have the following supplies:
 - 8x 10 section in their binder, which will be checked each making period.
 - 3 pens (Blue or Black only)
 - 3 Pencils
4. Every Wednesday is proper Business attire day
5. There will be test or assignments, which will be graded, and be of your accumulated grade.
6. Homework Policy – Unless due date is given H.W. is due the next day.

Grading Policy

20% -Attendance
25% -Class Participation
25% -Homework/ Notebook
30% -Test and Projects

All projects are graded on quality and meeting the deadlines.

BJE- This is a one period course. This will allow the student to continue their exploration into the world of entrepreneurship. The students will be exposed to all facets of being an entrepreneur and will complete and present their business plan at the end of the term. They will also continue the online NFTE Curriculum as well as have the opportunity to apply and take a test to receive college credit at the end of this program. At the end of the term each student will become part of the NFTE Alumni network, which is a national Support program for all NFTE Graduates. This course also covers the importance of being savvy in the business world and preparing for the future.
